Sheffield

COM1001 SPRING SEMESTER
Professor Phil McMinn
p.mcminn@sheffield.ac.uk

Introduction to
**COM1001: Introduction to Software
Engineering – Spring Semester**

Welcome!

Phil McMinn
Lectures & Labs

Donghwan Shin
Team Project

COM1001 Spring Semester

Developing a **web application** in **Ruby**, using a
DSL called **Sinatra**

With **SQLite relational database** backing
using another DSL called **Sequel**

Testing those web applications using another
DSL called **RSpec**

**with more software engineering techniques
along the way...**

... in teams.

Important Times

Lectures 10am-12noon on Tuesdays
(9am start today only!)

Practical Session on Friday – 12-1pm
Practical sheets and project help

15 min **Supervisor Meeting** between 1-3pm on Tuesdays.

Team Seating Plan – Diamond CR3

Lead Demonstrator

Zalán

Zone 1 Demonstrator

Artur

Zone 2 Demonstrator

Harry

Zone 3 Demonstrator

Pete

Zone 4 Demonstrator

Stylianos

Zone 5 Demonstrator

Samiha

Team Seating Plan - Diamond CR5

Lead Demonstrator

Firhard

Zone 1 Demonstrator

Rory

Zone 2 Demonstrator

James

Zone 3 Demonstrator

Anielka

Zone 4 Demonstrator

Ana

Zone 5 Demonstrator

Victorious
